Official Association Business

We reviewed our finances and approved our mission, vision, and goals. All votes were unanimous:

Mission: We are a volunteer association striving to make our neighborhood a better place to live.

Vision: Facilitate a sense of community and enriched quality of life for our members.

Goals 2018-2019:

1. Continue grow membership in the association
2. Offer opportunities for our members to enjoy and participate in neighborhood activities
3. Be good neighbors

We discussed ways in which to get more households on our email list and to get more people involved as Street Captains. We received many good ideas and will follow up on them.
